LEADERS OF THE PACK

FRIENDS OF BARK IN THE PARK

Supported, in part, by a Cultural Affairs grant from the City of San José

...and **BIG SLOBBERY KISSES** to ALL of OUR VOLUNTEERS!

Bark in the Park is made possible through the efforts of over 250 volunteers — Thanks to everyone who has worked to make our 2018 event a success!

Bark in the Park

LONG LIVE BARK!

Over the past 22 years, *Bark in the Park* has **donated over \$150,000** to local pet charities and our greater community.

Donations are targeted to pet charities, educational enrichment in local schools, children’s literacy programs, and activities which improve the community through resident involvement and events.

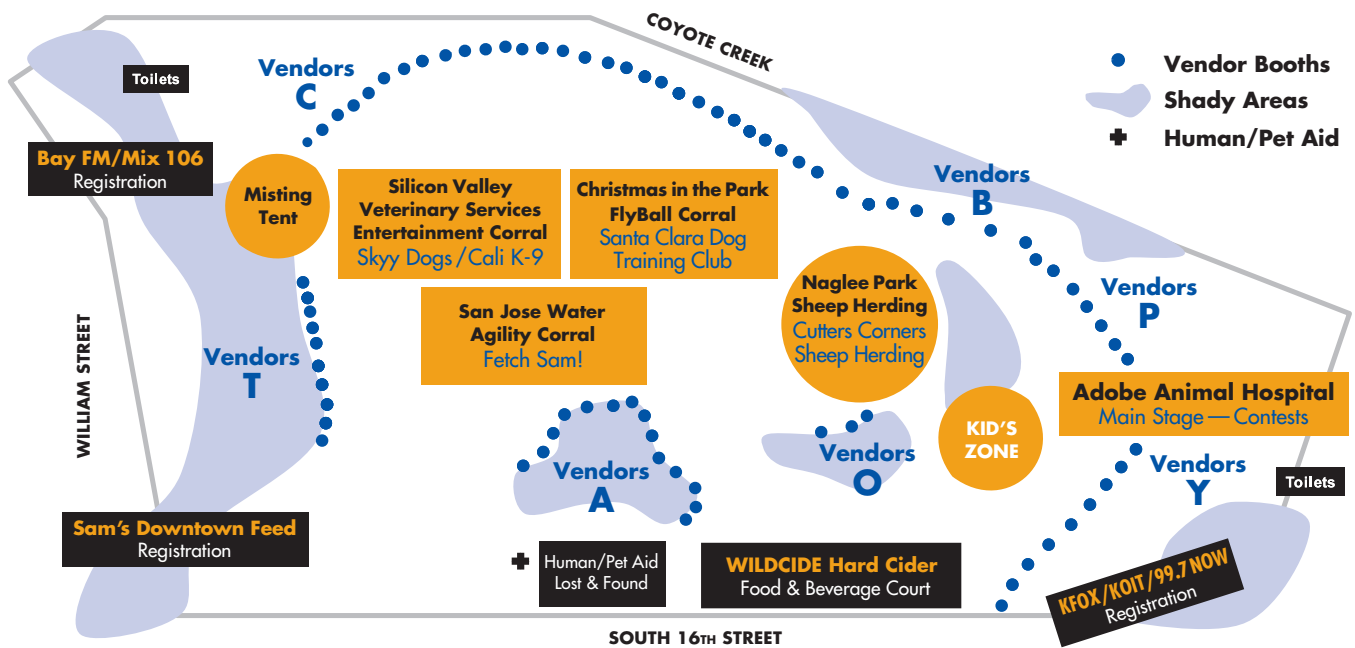

Thank you for your many years of attendance and support, helping Bark in the Park to become the “Largest Dog Festival” in the United States.

Your attendance to Bark in the Park San Jose constitutes consent to be photographed and to have those photos published for non-commercial promotional purposes. *Thank you!*

AGAIN, *Bark in the Park 2018* is going green, and making an effort to help reduce our impact on the environment by diverting at least 50% of our waste from the landfill!

Event attendees can help us achieve zero waste by using the eco-stations correctly—**BLUE** for recycling, **GREEN** for composting, and **BLACK** for landfill materials.
