FRIENDS OF BARK IN THE PARK

Supported, in part, by a Cultural Affairs grant from the City of San José

...and a Wag of Our Tails for ALL of OUR VOLUNTEERS!

Bark in the Park is made possible through the efforts of over 250 volunteers—
Thanks to everyone who has worked to make our *Return 2022* event a success!

Bark in the Park

BARK IS BACK!

Oh BOY. OH BOY. Oh BOY!

After two years of waiting, Bark in the Park is excited to be BACK for its 24th event!

Since 1996, Bark in the Park has proudly
donated over \$190,000
to local pet charities and our greater community.

Donations are targeted to pet charities, educational enrichment in local schools, children's literacy programs, and activities which improve the community through resident involvement and events.

Thank you for attending this year and helping Bark in the Park support its many causes!

Your attendance at Bark in the Park San Jose constitutes consent to be photographed and to have those photos published for non-commercial promotional purposes. *Thank you!*

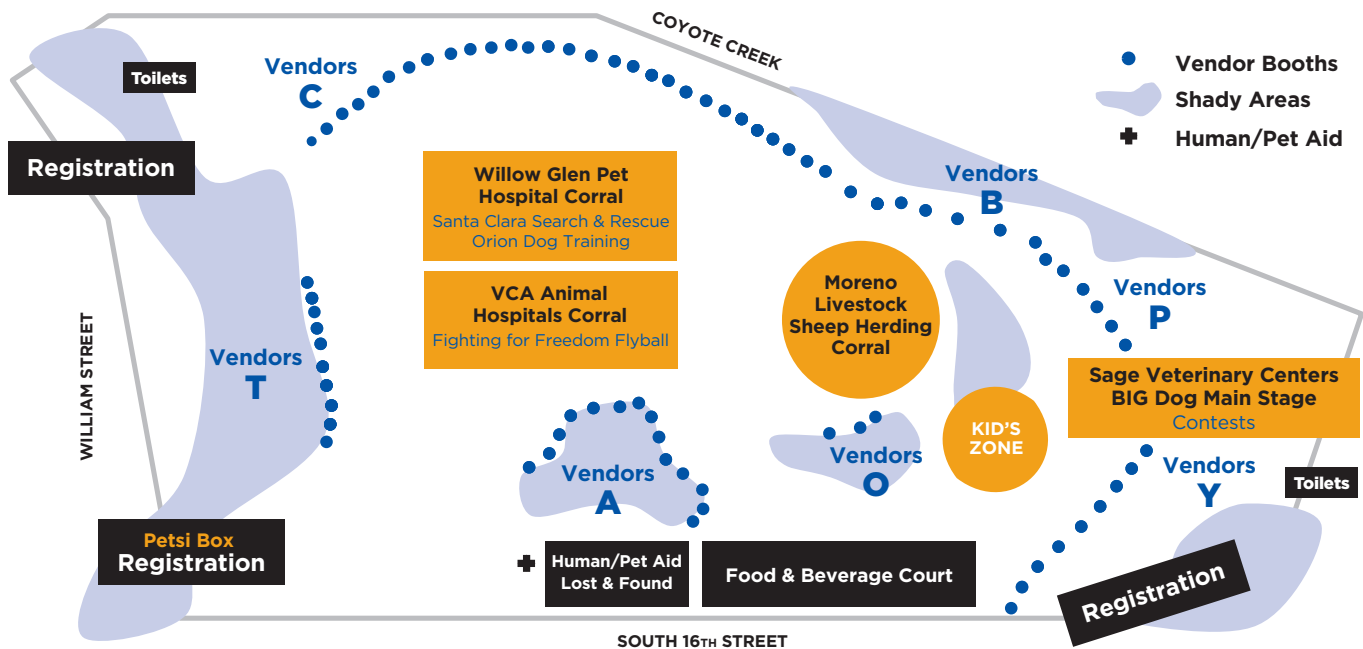

Twenty six years ago, a get-together for neighbors and their dogs began and has grown to become the "largest dog festival" in the United States!

Bark in the Park is still produced by Naglee Park neighbors for the enjoyment and benefit of our entire community. We are proud of our neighborhood and its unique history. *Welcome!* To learn more, visit: www.nagleepark.org

FUN DOG FACTS: **Most Dogs Are Right- or Left-Pawed!**

Like humans, most dogs are right- or left-pawed. To figure out which side is strongest, repeatedly watch a sitting dog start walking and note if there's a pattern. Many dogs will often lead with the same leg — their dominant one!
